Dear Residents

RECENT COLD SNAP

I want to share with residents the frustration the Parish Council felt during the recent cold snap. Towards the end of last year the County Council told all Parish Councils about a scheme they were running whereby the County Council would donate one-man gritting machines to Parish Councils provided they put forward a person who would do the work and who would go on a training scheme to learn how to use them.

We nominated such a person and he duly went on the scheme where he learnt that the Council was to get 2 gritting machines – one to spread brine on the paths before the snow fell and another to spread grit after snow had fallen. It was planned that the full length of the spine path would be treated.

Then fate intervened: the snow came before the gritting machines were delivered. In spite of emails being sent to the County Council and to our County Councillor John Reynolds, the snow and ice had almost gone before the machines arrived. The gritting machine finally arrived on Friday 10 February (after the second lot of snow) thanks mainly to John Reynolds having scoured the county for one. Twenty bags of salt were also delivered and our trained gritter went to the Parish Council Office to begin work. What happened next could not have been written by the best fiction writer – all of the bags of salt were frozen and stiff and could not be used. I went to see the Clerk on Monday 13 February and in the office were 2 bags of salt, thawing. Of course, later that day it rained and the sun shone, and it was thawing all over the village.

I want to apologise to residents that the Parish Council, through no real fault of its own, was not able to make it easier for you to get around the village. It is very little help to tell you that we shall be well prepared for next winter (if it snows!).

I know that residents have found useful the extra salt bins which the Parish Council purchased and placed in vulnerable roads, and that residents in these areas have been able to use the grit to help get their cars out of their road. The bins are filled up by the County Council so we are dependent upon their lorries being able to get to the bins.

Senior councillors have backed plans to build hundreds of new Council-owned homes as well as freezing council tax today (Thursday 9 February) at a meeting of South Cambridgeshire District Council's Cabinet.

CELEBRATIONS COULD BE RIGHT UP YOUR STREET - FREE!

Party people who are looking to organise a street celebration to mark the Queen's Diamond Jubilee or the greatest sporting show on earth can do so without paying a penny to Cambridgeshire County Council! After the success of street parties to celebrate the royal wedding of Prince William and Catherine Middleton last year, Cambridgeshire County Council is encouraging residents to start planning celebrations for the Queen's Jubilee and the Olympic and Paralympic Games.

The County Council has made the road closure application process easier for anyone who wants to get their community together for a street party - and for small community events the council will charge nothing for road closures on a cul-de-sac or residential roads without significant through traffic.

Bar Hill Fête – 14th July 2012

The booking form is now available for those of you who would like a stall at the Bar Hill Fête this year. They can be accessed by visiting our dedicated website:

www.barhillvillagefete.org/news/bookingformfor2012nowavailable

We are hoping for as many stalls as possible, so please get your application forms in.

We would also like to encourage all organisations in the village to work more closely with us this year. CRICKET CLUB

Despite snow on the ground at the time of writing, the league fixture lists have been published, so the cricket season feels as if it is nearly upon us.

The club will have **two sides in the CCA league** this season. The firsts will be in Division 2B, and will face Cambridge Granta III, Cambridge NCI III, Fen Ditton, Haslingfield, Little Shelford, Milton, Waterbeach and Wilbrahams II.

Meanwhile, the seconds' opponents in Division 5A are Chatteris III, Elsworth II, Madingley II, Over II, Sutton II, Waterbeach II and Willingham II.

The club has also entered a **midweek evening league** – details to follow next month when the fixtures are confirmed.

Our **new under-12 team** will play against Cambourne, Coton, Histon, Longstanton and Over.

We are also planning a small number of **Sunday friendlies,** including the Chairman's Challenge against the Sports & Social Club.

Nets are continuing on **Monday nights** from 8 pm to 9.30 pm until March 19. The cost is £3 for adults and £1.50 for anyone aged under-18 or all those in full-time education (please note IOU's will not be accepted). If anyone needs to arrange a lift, please contact me on the number below.

Youth members will have their own **training sessions** in the spring and summer – further details in due course.

The club is looking for **new members,** regardless of age, gender and level of experience. For more information, please contact me on the number below. We are probably the cheapest club in the area to play for, as we have no adult membership fees, and only charge match fees. For youth members, there is an annual fee of £10, and no match fees.

Much more about the club can be found on our website at **ww.barhillcricket.org.uk**

Memorial Garden

The autumn planting is now beginning to show as the snowdrops are starting to flower, the witch hazel has been in flower for some time and the camelias are budding up. The extra shrubs, plants and bulbs have filled the garden and the raised beds have lots of tulip bulbs, daffodils, pansy and primulas. Hopefully when the warmer weather comes these will being lots of colour to the garden. Please spare a moment of quiet reflection and walk round. We hope everyone will enjoy the garden.

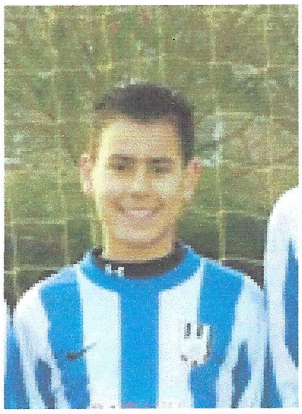
BAR HILL COLTS F.C

WOW !! what a load of snow and therefore not much football played.

So, this month I will be featuring many of our team's captains

First up…

The Under 14's - **Christian Marin** nicknamed 'the Rock' as nothing goes



through him as a defensive player. However, he has recently contributed to the team's goals this season.

Loyal, polite and gives 110% at every training session and matches.

The Under 11's Ravens – **Liam Rabel**

Liam is a true leader and superb role model to players and spectators. He is an excellent communicator and he is able to influence the team on and off the field. His regular position is

central midfield playing in front of two defenders. Liam has progress-ed so much this season and has contribut-ed by scoring seven goals and making many interventions and tackles to prevent opponents from scoring.He reads the game well and his natural athleticism often gets him into great positions in offensive and defensive areas.

Opposing managers have made many a passing compliment and we are extremly proud to have him wearing the colours of Bar Hill.

The Under 8's Rockets – **Seth O'Neill**

While the Rockets share the captaincy on a weekly basis, the main team captain is Seth who has played in every position. He plays his own football with his heart on his sleeve - desperate to do his best and help the team-mates perform to the best of their abilities. Seth's natural leadership and passion for the game is obvious and infectious on the pitch.

The Under 16's Rangers - **Matt Childs**.

Matt has matured as a player while he wears the captain's arm band.

Matt is also apart of a 25 man squad that play for Soham Elite team.

RANGERS FIGHT BACK

Girton 2 – 2 Rangers

Another game of two contrasting halves saw Bar Hill gain a good away point but if there had been goal line technology probably all three.

Bar Hill started sluggishly and Girton were more in control although Bar Hill did have chances through **Matt Childs & Seb Wayman**. Several chances from Girton were not converted and it wasn't until the 23rd minute that the deadlock was broken when **Ben Loraine** dived low to make a good save but unfortunately it fell to an advancing Girton player.

Bar Hill fell further behind when Rangers failed to clear the ball following a corner.

This seemed to have the effect on the players who started to look more urgent. Shots came in from **Dan Paine, Jim Murray** and **Tom Clark** but to no avail and the half finished 2-0 to Girton.

The second half saw Bar Hill snappier in the tackle resulting in **Matt Childs** having an effort cleared from the goal line. Midway through the half, Rangers pressure was rewarded when a penalty was awarded for pushing and **Matt** stepped up and buried the ball into the bottom left corner of the net.

A few minutes later **Alex Mendez** found himself in space on the right and drove the ball into the net for the equaliser.

The game finished all square although their second-half performance merited a win.

Other captains being…

The Under 9's Foxes – **Miles Harvey**

Not only can the goalkeeper see the whole game, which helps being a captain, but Miles will talk to his defenders. He will always try his best, listen to what we say put it into practice.

He is a great presence in the team and the best goalkeeper in our league.

The Under 13's Bombers - **Harvey Dibden-Angus**

Harvey is the main captain and plays a central midfield role. He brings a very common sense approach and praises the team well. He also sets an example for fitness and has a never-say-die approach. Harvey never gives up and always chases down every ball/player.

The Under 10's Bulletts do not have a regular captain but reward the man of the match player from the previous game.

Similarly the Under 13 girls Allstars team rotate the role so players gain self confidence with their team and with the referee.

The Under 16 girls Spitfires - **Katie (Kitkat) Page**.

Katie has been part of the team since we first started playing. She is one of the teams key defenders, our number 2 goalkeeperand also plays in midfield when required. She was awarded most improved player last season and was chosen as captain because she always encourages and motivates the team both on and off the pitch.

End of season presentation evening date and venue will be announced

in the Library on 21 March at 7.00 p.m.

FRIENDS OF BAR HILL LIBRARY

The Gurkha Trust

Our first talk for 2012, called 'A Debt of Honour', is a PowerPoint presentation by Major M E Thorp about the work of the Gurkha Trust. Do come along on 21 March, at 7.00 p.m. in the Library. Tickets are available from the Library: £2.50 for Friends, and £5 for others. It pays to be a Friend!

Are you still a Friend?

Thank you to all who have paid your subscription for 2012. If you have not renewed yours, please do; and if you are thinking about joining, call at the Library to do that. The more Friends we have, the more we demonstrate that Bar Hill values its Library. The cost remains £6 for individual members, and we have made a very modest increase to £8.50 for families (new members pay for each full month only).

Coffee mornings

This is your chance to meet people over coffee and biscuits and to choose from our modestly priced bargain books. The next two coffee mornings are on Thursday 1 March (how about wearing a daffodil to celebrate St David?) and Thursday 5 April, from 10 am to noon.

Who do you think you are?

If you have always wondered about your ancestors, call at the Library on Thursday 22 March to get started. Bernard Amps of the Cambridgeshire Family History Society will be there to offer advice, regardless of where your family comes from. He visits each month on the fourth Thursday.

HAPPY HOURS – NEWSLETTER

Everyone pleased to be back in January and lots of catching up for all to do. We held a ballot to see what members would like to do for the Jubilee celebrations and a party in the Octagon came out tops so lots of planning to start. We also discussed the Summer Village Fête and agreed we would try to hold a stall of some sort, yet to be decided, but depending on the help available.

We held a bingo session and also a raffle, which raised £60 for Help the Heroes sent in memory of Ida Sulman, with thanks to the family for the lovely cake donated to the Club.

Our Speaker this month was Pam accompanied by Linda and Ginger, one of the dogs being trained as a Hearing Dog for the deaf. It was a very informative speech with slide pictures, explaining how they breed and train the dogs to help deaf people, including children who need a special "family dog". Pam also bought in lots of special gifts which she sells to help raise money. Training the dogs being very expensive: they start off with general people and then go on for specialist training before being paired with somebody from their waiting list. They then have an intense training together before going to their new home.

Following on from the recent cold weather and the County Council's decision to increase maintenance funding for work on the highways it seems to be a good time for a reminder of the best way to **report highways issues**. The first point to make is that "highways" is not just roads. Highways covers roads, paths (both those bordering the road and, potentially, those off-road paths like the Spine) it also covers the state of roundabouts, signage, and (amongst other things) public rights of way.

To report an issue you can call the County Councils Highways Agency on 0345 045 5212, or write to them at;

Cambridgeshire Highways CC1305
Castle Court Shire Hall
Castle Hill Cambridge CB3 0AP

Alternatively, and this is the Councils preferred option, you can report an issue online via the County Councils website http://goo.gl/9wMHL

The website presents you with a fairly simple form which you can either choose "Report with a map" or report by just entering the details.

Creating a safer Cambridgeshire

Crime reports:

Between 11:30 hrs on 2nd January and 02:00 hrs on 3rd January, unknown offenders have damaged a padlock to a side gate of a business premises in Trafalgar Way, Bar Hill. Offenders have been seen on CCTV to enter the site and attempt to jemmy metal shutter before appearing to change their minds and leave the site.

At approximately 18:00 hrs on 6th January, at Tesco Petrol Filling Station in Bar Hill, an unknown male has filled up his vehicle with fuel before driving off without making any attempts to pay for the fuel obtained.

At approximately 10:30 hrs on 13th January 2012, an unknown offender has been seen to remove something, possibly metal, from the roof of an elderly resident's property in Acorn Avenue, Bar Hill. When challenged by a neighbour, the male has run off in the direction of Foxhollow or Gladeside. Unfortunately, an area search for the male conducted by the Police proved negative. The male is described as a young male, wearing a black woolly hat, short jacket and jeans.

On Sunday 22nd January, between 14:30 and 16:00 hours, three men described as Eastern Europeans have entered Tesco store and walked towards the computer equipment display, one of the men has cut the lock securing the laptop to the display shelf and one of the other men has removed the laptop from the shelf and placed the laptop up his jumper and made an attempt to walk out of the store. These men have realised that they were being watched on CCTV, and then they have dumped the laptop in the store and left.

I have collected and viewed the CCTV which clearly shows the suspects removing the laptop from the display shelf. A number of clear images of suspects have been circulated for identification. These suspects have now being identified and are due to be arrested.

On public request, I have been making some enquiries regards foreign registered vehicles being used in Bar Hill. An Audi A6 that is normally parked in Appletrees has been in the UK for over a year and the keeper has been warned by me and colleagues to register the vehicle with DVLA immediately or they could be liable for prosecution. Further enquiries are to be made with this vehicle owner.

The other vehicle parked in Pheasant Rise has only been in the UK for two months which is perfectly legal.

Visitors coming to the UK that don't intend living here can usually use a vehicle displaying foreign (non-UK) number plates for up to six months in a 12 month period. This can be one single or several shorter visits, adding up to a six month period. During this time the vehicle can travel displaying the non-UK Plates but only provided the vehicle is still fully registered and tax paid, in the country it came from (the driver's home Country).

For anyone wishing to stay in the UK for longer than a six month period, their vehicle will normally need to be registered and taxed at Driver and Vehicle Licensing Agency (DVLA). There are exemptions for students and workers who normally live outside the UK but are only in the UK for a set study or work period.

At the last Parish Council meeting some parking issues were raised for Pheasant Rise, Bar Hill. So far I have managed to speak to three residents regards the manner of their parking, they have agreed to park elsewhere in the area where obstruction is not caused to other drivers, I have issued one warning notice to one of the residents for parking inconsiderately.

I have carried out speed checks in Crafts Way, Bar Hill last week. Good news as no vehicle was seen travelling in excess of the speed limit.

If you wish to report any other crime, suspicious behaviour or activity please rings our non-emergency number, 101. If you believe that a crime is in progress please ring 999. We also welcome anyone to contact us by replying to this email: bujar.mani@cambs.pnn.police.uk

Kind regards

World Book Day – 1st March

All pupils will be receiving a £1 book token which may be exchanged for one of 8 special World Book Day titles or in part payment for any other book or audio book costing £2.99 or more. Participating stores in this area are: Tesco, Heffer's, WH Smith and Waterstone's. The tokens are redeemable between 27th February and 25th March.

As part of our World Book Day activities we are asking all adults in the school to nominate their favourite book from their childhood. We would be very interested to receive nominations from anyone in the village too. Just write the title of your favourite children's book and a brief reason for choosing it along with your name and we will compile a list which will be displayed on our Read It! noticeboard. So whether you were an Enid Blyton fan or dedicated to The Cat in the Hat we would love to hear from you. We will let you know in next month's edition of the Bar Hill News which books made a big impression on us all in our youth!

Sport Relief Friday 23rd March. As usual we will be supporting this event by wearing red and white and selling cakes. If you would like to donate to this good cause via the school please call at the school office.

Sainsbury's vouchers: 15th Feb – 10th April. We are now collecting these vouchers which may be delivered directly to the school or left in the box at the post office. We will also be collecting Tesco vouchers later in the year.

Many thanks for all your support.

The Olympics 2012 – a great opportunity to celebrate and get involved in Cambridgeshire

For the sporting….

As Olympic fever spreads across the country, many of us might feel inclined to get involved in some new sporting activities, whether in a competitive manner or just for a bit of fun.

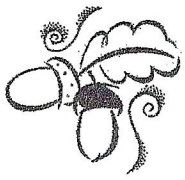
Events will also be added to the www.cambridgeshire.net website as they are announced. If you have an event planned that you would like to publicise, it can be added to this website. If you have a disability, you can find out what activities you can get involved in locally at www.abilityplusgroup.co.uk, by calling the Ability PLUS Group on 01487 849929 or by contacting your local District Council.

For the not so sporting….

The Olympic Torch route will pass through Peterborough on 3rd July, Cambridge (as part of the Big Weekend on Parker's Piece) on 7th and 8th July and St Ives and Huntingdon on 8th July. Route details and times will be announced by London 2012 nearer the time. ➔

Cultural events will also be taking place. Information on local cultural events will be available on www.cambridgeshire.net as they are announced.

And finally, if you have been inspired by the 70,000 people who have registered as Olympic and Paralympic volunteers, you can sign up to volunteer at local events at www.volunteeringcambsandpboro.org.uk.



Little Acorns Pre-School

Little Acorns is a privately owned pre-school. We provide a wide range of activities to promote children's early learning and development. We are currently open Monday to Friday during term time from 9am – 3 pm. Children may come for a minimum of 2 ½ hours during this period up to the maximum of 6 hours per day, which would include staying for lunch.

Children are able to start pre-school as soon as they are 2 years old.

Nursery Education Funding (15 hours free per week) is available in the term after the child's 3rd birthday.

We are now registered to offer places to children on the 'free twos' scheme. If you are on income support you may be eligible for 10 hours per week of free care for your 2 year old. Please ask us for more information about referral or visit the children's centre who will also be able to advise you about this.

All our staff hold early years' qualifications and are trained in first aid and child protection.

For more information or to register your child please see our new website at www.littleacornspreschoolbarhill.co.uk or e-mail us at littleacorns.barhill@ntlworld.com

Or during session time please phone us on 07851803083 (and ask for Sally or Gail)

We are situated just off the green next door to the primary school; please feel free to pop in for a visit. Alternatively we hold termly open mornings for all our new starters when you and your child may visit together.

Our rooms are currently available to hire for children's parties and other events at very competitive rates (you don't have to attend pre-school to use this service) - again please ring or e-mail for more information.

We look forward to meeting you and your child soon.

National No smoking Day- 14th March

Take the leap - we all know that smoking kills but there are still more than 9 million smokers in the UK. Patient Participation Group (PPG)

Our PPG is still looking for new members they meet on the last Wednesday evening of each month in the Octagon and are looking for representatives from all age groups within the community. For more information see website www.maple-ppg.org or call into the surgery.

Virtual Patient Reference group

In addition to our established PPG we are looking to set up a Patient Reference Group. The aim is to ensure a broader representation of patient views across different age and ethnic groups, specifically targeting those who don't visit the surgery regularly. We will be consulting you on a variety of issues via e mail as this is often more convenient than meeting face to face. So we need to have your up to date contact details particularly your e mail address. If you are interested please email maplesurgery.enquiries@nhs.net with VPRG as a heading and we will contact you with more details.

Opening hours

Our doors are now only closed from 12:30 pm to 1:30 pm, but our phone lines are open from 8:30 am through to 6 pm. If you need to contact us, for whatever reason then just call reception on 01954 780442.

PLANNING TO DEAL WITH A MAJOR EMERGENCY IN THE VILLAGE

The Parish Council has been asked by South Cambs to formulate a plan to deal with a major emergency in the village. The first meeting has been held between a group of Councillors, and representatives from the Residents' Association and Neighbourhood Watch. When we have formulated the plan I will write another article.
We want all residents eventually to be aware of what the plan contains and what they should do in an emergency. Any ideas from residents will be welcome – please contact the Clerk by telephone 780456, email: bhillpc-1@btconnect.com, in person Monday to Thursday, 10 am to noon, or put your ideas in writing through the mailbox at the Parish Council Office (next to the Octagon).

We have two settings in the village located at the Village Hall Centre and Church Centre. Both Pre School settings have bright and airy rooms, both gardens are fully secure and enclosed. We provide safe, secure, independent learning environments for children aged 2-5 years.

Our ethos is to ensure a high quality of care and education by focussing on each individual child's ability, interests and we encourage their development throughout the Early Years Foundation stage.

Our key person and buddy system enables our Early Years team to meet the needs of individuals through planning child focussed next steps.

We have a snack bar where all children in turn prepare a variety of healthy balanced foods for themselves and peers twice a day.

Snack times help children to develop independence through preparing, making choices, serving food and refreshments.

We pride ourselves in providing outstanding Parental/ Carer partnership and use communication diaries to encourage working together.

Moving on sessions

These sessions are for children in their final year at Pre School. This is a more structured session preparing children for school entry.

Flexible childcare and Early Years funding

We are registered for and offer 15 hours free flexible childcare for the term after a child's 3rd birthday.

Playtots Sessions

These are held at the Village Hall on Tuesday 9.15-10.45. They are for Parents/Carers and children up to 5 years old including babies. We have lots of fun and have a large selection of indoor/outdoor activities including our soft play den and toys especially for the tots. Sessions are held on a pay as you play basis. Drinks and healthy snacks are provided.

For more information please contact either Pre School on the above numbers or feel free to pop in and meet our Managers and Early Years team during session times.

Our session allocation Co-ordinator Sarah is always on hand to support you through the registration process. Email: enquiries@barhillpreschool.co.uk

We look forward to meeting you and your child.

To receive an info pack you can call 01223 581504 or email info@upbeat-energy.co.uk or just go to www.upbeat-energy.co.uk. YOU NEED TO ACT FAST TO BEAT THE NEXT FiT DEADLINE.
